Discussion Questions

After watching Andy's sermon, read through the following questions to help process what you learned. Consider answering all or some of them.

1. Our first teaching point was that Jesus changes how we see ourselves. How has Jesus changed you? What a question! Have you ever thought about this truth before? How would you answer it?
2. One of the ways Jesus changes us is that He expects us always to be growing closer to Him. How do we grow closer to God?
3. How are you doing in your prayer life these days? How are you doing in your Bible reading? What if, during this challenging time in our world, you recommitted to getting to know God better? How would that change the way you see the world around you?
4. Do you remember why the Colossians found themselves in a chaotic place? We find ourselves in a chaotic situation too. In your own words, share what it is about our current culture that feels chaotic to you.
5. We learned that Jesus is bigger than anything we face in culture. Paul says in Colossians 1:17 that "in him all things hold together." How does this truth help you make it through the times we find ourselves in?
6. One of the most amazing truths we learned today is that Jesus changes the way God sees us. If we have been saved from our sins by our faith in Jesus, God sees you as His child, holy, guilt-free, and above any accusation. How does that make you feel? How does it change the way you see the purpose of your life.

Closing Prayer

Close your time together in prayer. Have someone voice their own prayer, or read the following prayer aloud:

Heavenly Father, we come to you tonight, praising you for who you are. We worship you because you are in control of all things and rule creation with love and grace and mercy. We know that as your children, nothing can overcome us. We thank you that through Jesus, we can know you and be called "yours." Father, give us your peace in these days. Please help us to draw closer to you. Be with us as we reflect your love and peace to the world around us in need of a Savior. Be with us, and through your Spirit, give us the strength to be salt and light in our worlds. We love you and ask all these things in the name of your Son, Jesus. Amen.
